# Principal's Welcome

Welcome and thank you for your interest in Salon Hijab Academy.

We are committed to ensuring that all of our students gain all the key qualities from the academy. We offer all our students an equal opportunity to join our team for work experience within our salon, learning from our senior hairdressers and beauticians.

We aim to support our students on their journey to help fulfill their career, with lots of encouragement to develop their knowledge of the industry, as well as, embedding English and Math's throughout the course. Our academy has grown successfully and continues to grow with a high record of achievement with the help of our accredited teachers.

I would like to add a few words of encouragement for future joining students, I was once in the very same position as yourselves not too long ago and I have learned that hard work and dedication never goes unnoticed. In my case, I have built a name for my self which has become renowned not only in my former college but has even gone as far as the House of Commons, where I was presented the Gold's Award in the year 2015 by the Association of Colleges (A.O.C).

We look forward to seeing you at Salon Hijab Academy.
